Food, glorious food

In partnering with famed restaurateurs and Michelin-Starred chefs from NYC, we've ditched buffets and pre-set dining times to bring you made-to-order food. Pairing fresh ingredients and vibrant flavors with ever-evolving ways to experience food, we've elevated and diversified our menus while minimizing waste by only cooking what's been ordered.

- 20+ eateries are all on us — with a bar in every speciality one
- No buffets. No main dining halls. And no assigned seating
- No single-use plastics are ever used on board
- Every eatery has its own kitchen and an executive chef, and all our food is fresh and made-to-order, never mass produced
